* On October 08, 2007 Due to climating condition Maximum Demand was 3422 MW, Generation was 3268.10 MW and Load sheding was 135 MW .

** On October 15, 2007 Due to climating condition Generation was 3203.9 MW and there was no Load sheding.

*** On November 16, 2007 Due to 'Sidor' disaster national Grid was failed and Generation was 905 MW.
